

# Geographic Feature Presentations

I can research and present about geographic features.

I can compare and contrast two geographic features.

## Directions:

- Work with your group, research the geographic feature you are given.
- Write 2 or more facts about the feature.
- Create a slide to present to the class about your feature.
- Your slide must include 2 or more facts and a picture.
- Use the Research Recording Sheet Checklist

Finished Early?

Go to **[education.nationalgeographic.com](http://education.nationalgeographic.com)** and search for another geographic feature.
